# A FORMAL REQUISITION FOR A MEETING OF CONVOCATION

Ms Belinda Hutchinson AM  
Chancellor  
The University of Sydney

Chancellor,

Pursuant to the University of Sydney Act and the University of Sydney (Amendment Act) Rule 1999, we the undersigned do requisition a meeting of Convocation for the purpose described below.

As required by the statutes of the University this requisition is attested by twenty members of Convocation.

We place on notice the following motion for debate:

That Convocation expresses its concern at the federal government's proposed changes to higher education. We request the federal government restore the higher education funding cut in the 2014 budget. We further ask that the University of Sydney refrain from supporting fee deregulation, which will prevent or discourage potential students from seeking admission to the University because of an inability to meet or repay tuition costs.
