## ***Are you a casual employee of ADHC?***

As a casual employee, you share many conditions of employment with ongoing and contract employees, including pay increases.

The PSA negotiated these conditions on behalf of our members.

## ***Did you know that casual employees of ADHC can join the PSA?***

PSA members receive a lot of benefits just by being part of our union, including journey insurance protecting you on your way to and from work; the PSA Provident Fund that provides up to \$3,500 to your beneficiary, reduced rate Family Injury Insurance and discounts on Financial Services through Sydney Credit Union - just to name a few.

PSA also offers advice and support on any industrial issues you may have at work. PSA fees are on a sliding scale depending on your salary and are tax deductible.

***As a casual you can join the PSA and receive all these benefits for the cost of a coffee per week!***

## ***What is PSA doing for members in ADHC?***

The PSA is campaigning against the privatisation of ADHC. The PSA is also campaigning for the protection of our members' conditions of employment and a better transfer package. This includes protection of temporary and casual staff before during and after any transfer.

The PSA needs members to join and be active in this campaign.
