1.11 You may provide details of other formal policies or formal strategies that specifically support gender equality that may be in place:  
The PSA is the union for NSW public sector staff. Historically our staff generally enjoy wages and conditions in line with public sector provisions, including those outlined in the Crown Employees Award(s). The NSW Industrial Relations Act encourages and promotes awards to be equitable and to contain provisions that create gender equity.

The management of the PSA believe in gender equity and therefore support, promote and implement actions that deliver equitable outcomes.

Whilst this is done informally, there is now greater contemplation of the development of policies for better governance of the PSA, which will include such policies to ensure the support for gender equality in the workplace.
