

Reporting Services Branch member update

The PSA has been advised that our members were exposed to a chemical hazard on Level 7, 175 Castlereagh Street, Sydney on Friday, 9 March and Thursday, 15 March 2018.

Section 84 of the Work Health & Safety Act provides that:-

“A worker may cease or refuse to carry out work if the worker has a reasonable concern that to carry out the work would expose the worker to a serious risk to the worker’s health and safety emanating from an immediate or imminent exposure to a hazard.”

The PSA has created a poster to display in workplaces about ceasing unsafe work.

The PSA also recommends that where members have Work Health and Safety concerns, they should:

- » File an Incident Report with the Department
- » Notify your delegate or the PSA MSC on **1300 772 679**

The PSA will consult with the Department to ensure your health and safety is protected.
