- 3.3.10 All eligible Staff may choose to enter into a salary packaging arrangement with the University for the purposes of receiving a salary lower than that to which they are entitled under Schedule 1, in exchange for a "benefit" of equivalent value.
- 3.3.11 Where an agreement is reached between a Staff Member and the University in accordance with this subclause, benefits may be provided to the extent that the cost to the University of providing the benefits and the reduced salary does not exceed the cost to the University of providing the salary prior to entering into the salary packaging arrangement. Any arrangements will be in accordance with relevant taxation legislation.

3.4 Supported Wage System

- 3.4.1 Nothing in this Agreement will prevent the full operation of the Supported Wage System as documented in the Commonwealth Government's Supported Wage System: Guidelines and Assessment Process. The System is designed to promote employment for people who, because of a disability, are unable to work at full award wages.
- 3.4.2 The capacity of the Staff Member will be assessed in accordance with the Supported Wage System and he/she will be paid the greater of \$71 per week (or the amount set by the Supported Wage System from time to time) or the applicable percentage (10-90%) of the minimum rate of the relevant classification level for the position in which the Staff Member is employed. Where the assessed capacity is 10%, the Staff Member will receive a high degree of assistance and support.

3.5 Superannuation

- 3.5.1 An existing Staff Member who is a current member of State Superannuation Fund (SSF), State Authorities Superannuation Scheme (SASS) or Macquarie University Professorial Superannuation Scheme may retain that membership and the University will make employer superannuation contributions in accordance with the relevant scheme.
- 3.5.2 For all other Staff Members, the University will make the following employer superannuation contributions to UniSuper:
- (a) 17% of ordinary time earnings if the Staff Member is employed on a continuing basis or is employed on a fixed term contract of two years or more; or
 - (b) 9% of ordinary time earnings if the Staff Member is employed on a fixed term contract of less than two years; or
 - (c) 9% of ordinary time earnings for a casual Staff Member whose wages are \$450 or more per calendar month or who earns less than \$450 per calendar month but more than \$2,546 (or the amount notified by UniSuper from time to time) in either of the 6 month periods between 1 January and 30 June or 1 July and 31 December each year; or
 - (d) 3% of ordinary time earnings from the end of the calendar year in which the Staff Member turns 70 years of age regardless of employment status.
- 3.5.3 Provided that the University's Trust Deed and Deed of Covenant with UniSuper so allow, a Staff Member who is a member of UniSuper and who is eligible to receive the employer superannuation contribution specified in subclause 3.5.2(a) may elect to make reduced employee superannuation contributions to increase take home salary or to access any other superannuation flexibility so allowed by the relevant Trust Deed and Deed of Covenant.

3.6 Probation

- 3.6.1 On commencement of either continuing or fixed-term employment a Professional Staff Member may be subject to a probationary period of up to 12 months. The length of the probationary period should be appropriate to the nature of the work being undertaken.
- 3.6.2 Probation may be considered, but usually will not apply, in the case of a second or subsequent continuing appointment. A second or subsequent fixed-term appointment to the same position or to an essentially similar position will not contain a probationary period. Probation will not apply in cases of secondment or transfer.
- 3.6.3 On commencement of employment, the Staff Member must be provided with documentation clearly setting out the standard of conduct and performance that is to be met during the probationary period.
- 3.6.4 The Supervisor will provide regular feedback to the Staff Member during the probationary period. Where there is a probationary period of greater than 3 months the Supervisor will conduct a review halfway through the nominated period.
- 3.6.5 If an assessment of performance cannot be made due to a Staff Member taking a period of approved leave (e.g. leave without pay, personal leave, parental leave) that is greater than 4 weeks then the end date for probation may be extended. The Director, Human Resources, on a recommendation from the Head, may approve to adjust the probationary period to provide the Staff Member with a total probation period equivalent to that contemplated in the employment instrument.

- 3.6.6 The Supervisor will undertake a formal probationary review one month prior to the expiration of the probationary period. The review will be done in accordance with the University's Performance Development and Review (PDR) process.
- 3.6.7 After conducting the probationary review, the Supervisor will make a recommendation to the University about continuation or termination of employment. Where the Supervisor recommends termination the report of the formal review and any response from the staff member will be forwarded to the Head for approval. If termination is approved, the following notice periods shall apply:

| Length of Contract | Period of Notice |
|--|--|
| Fixed-term of 1 year or less | The lesser of 1 month or to the end of the fixed-term appointment (or payment in lieu) |
| Continuing appointment or fixed-term of more than 1 year where the probationary period is less than or equal to 6 months | 2 months (or payment in lieu) |
| Continuing appointment or fixed-term of more than 1 year where the probationary period is greater than 6 months | 4 months (or payment in lieu) |

3.7 Types of Employment

- 3.7.1 A Staff Member will be employed in the types of employment prescribed in this clause. There shall be no limit on the number or proportion of Staff Members that the University may employ in a particular type of employment.

Continuing Employment

- 3.7.2 Continuing employment means employment on a full or part time basis with no specified end date. Continuing employment is subject to termination by the resignation, retirement or death of a Staff Member; by abandonment of employment; by the position being declared redundant; or by the Staff Member's employment being otherwise terminated by the University in accordance with relevant provisions of this Agreement.

Full time Employment

- 3.7.3 For Professional Staff, full time employment means 70 ordinary hours per fortnight. Full time employment may be offered as a continuing or fixed term appointment.

Part time Employment

- 3.7.4 Part time employment means employment for less than the normal weekly ordinary hours specified for a full time Staff Member in the same classification and for which all Agreement entitlements are paid on a pro rata basis calculated by reference to the fraction worked. Part time employment may be offered to a Staff Member as a continuing or fixed term appointment.
- 3.7.5 Where employment is to be part time, the offer of employment made by the University will specify the fraction of ordinary hours of work for which employment is offered.

Casual Employment

- 3.7.6 Casual employment shall mean employment of a Staff Member on an hourly basis at an hourly rate of pay. The work required to be done by a Staff Member employed on

casual basis is generally ad hoc, intermittent, unpredictable or involves hours that are irregular. Casual employment may be terminated at one hours notice.

Job Sharing

- 3.7.7 Job sharing is a voluntary arrangement where two Staff Members, working part-time, share all the duties and responsibilities of a continuing or fixed-term full-time position.

Seasonal Employment

- 3.7.8 Seasonal employment means employment offered on a continuing or fixed term basis to work one or more periods or seasons in each calendar year.
- 3.7.9 During the periods of the calendar year that a seasonal Staff Member is not required to perform work, they will be deemed to be stood down without pay. Any such stand down period will not count as service for any purpose, although it will not break the continuity of service.

Fixed Term Employment

- 3.7.10 Fixed Term employment means:
- (a) employment for a specified term or ascertainable period, for which the instrument of appointment will specify the starting and finishing dates; or
 - (b) employment in connection with a specific task or project, which will terminate upon the occurrence of a specified contingency related to the task or project not normally in excess of (3) three years.
- 3.7.11 Fixed term contracts may be terminated by the University:
- (a) during a probationary period in accordance with clause 3.6 (Probation) of this Agreement; or
 - (b) where the Staff Member's position has become redundant because non-recurrent funding essential to the employment ceases or the work is no longer required to be undertaken; or
 - (c) for cause based on unsatisfactory performance, misconduct or serious misconduct.
- 3.7.12 For the purpose of this clause, breaks between fixed term appointments of up to three months in total in any 12 month period will not constitute breaks in Continuous Service.

Restriction on Use of Fixed Term Appointments

- 3.7.13 The use of fixed-term employment is limited to the employment of a Staff Member engaged on work that comes within the description of one or more of the following circumstances:
- (a) **Specific task or project** means a definable work activity that has a starting time and is expected to be completed within an anticipated timeframe not normally in excess of three (3) years. Without limiting the generality of that circumstance, it will also include a period of employment provided for from funds external to the University, i.e., funding that is not part of an operating grant from the government.
 - (b) **Research** means work activity by a person engaged on research only functions for a contract period not exceeding five years.
 - (c) **Replacement Staff Member** means a Staff Member:
 - (i) undertaking work activity replacing a full-time or part-time Staff Member for a definable period during which the replaced Staff Member is either

on authorised leave of absence or is temporarily seconded away from their usual work area; or

- (ii) performing the duties of:
 - i. a vacant position that the University has made a definite decision to fill and has commenced recruitment action; or
 - ii. a position that the normal occupant is performing higher duties pending the outcome of recruitment action initiated and/or in progress by the University for that vacant higher duties position;until a Staff Member is engaged for the vacant position or vacant higher duties position as applicable.

- (d) **Pre-retirement contract.** Where a Staff Member declares that it is their intention to retire, a fixed-term contract expiring on a mutually agreed date may be adopted as the appropriate type of employment.
- (e) **Other circumstances.** If a work unit identifies any other circumstance where employment is to be for a fixed period, then the contract period or periods for an individual Staff Member will not exceed five (5) years. Any application for appointment under this sub clause will be accompanied with a written justification and will be subject to the approval of the Director, Human Resources.
- (f) **Fixed-term contract employment subsidiary to studentship.** Where a person is enrolled as a student, fixed-term contract employment may be adopted as the appropriate type of employment for work activity, not within the description of another circumstance in the preceding paragraphs of this clause, that is work within the student's academic unit or an associated research unit of that academic unit and is work generally related to a degree course that the student is undertaking within the academic unit, provided that:
 - (i) such fixed-term contract employment will be for a period that does not extend beyond, or that expires at the end of, the academic year in which the person ceases to be a student, including any period that the person is not enrolled as a student but is still completing postgraduate work or is awaiting results; and
 - (ii) that an offer of fixed-term employment under this paragraph must not be made on the condition that the person offered the employment undertake the studentship.
- (g) **Apprenticeship or Traineeship.** An apprentice or trainee employed pursuant to an apprenticeship or traineeship approved by the relevant State or Territory training authority.

Notice of Cessation or Re-offer of Fixed Term Employment

- 3.7.14 A fixed term Staff Member may be offered a further contract of employment. Unless such an offer is made and accepted, or the Staff Member's employment is terminated earlier in accordance with sub clause 3.7.11 the Staff Member's employment will end on the specified end date or occurrence of the contingency specified in the contract of employment. Where the University makes a determination to continue a position with the same or substantially similar duties, or where there have only been inconsequential changes to the position, the Staff Member will be offered further employment in the position provided that:
- (a) he/she was initially appointed through an externally advertised competitive selection process; and

- (b) he/she is demonstrating satisfactory performance in all aspects of the position; and
 - (c) in the case of substantially similar duties, the University is satisfied that he/she has the capacity to meet any new duties or competencies that may be required.
- 3.7.15 Notwithstanding the provisions of sub clause 3.7.14, where the University determines that the work being performed by a Staff Member employed under a fixed term contract as specified in sub clause 3.7.13(e) will continue for more than five (5) years, and the Staff Member has been appointed through a competitive selection process, the Staff Member will be offered continuing employment in the role. The University will not fail to offer further employment in order to avoid the obligation under this sub clause.
- 3.7.16 The University will provide to a fixed term Staff Member written notice (including by email) of 5 weeks of its intention to offer, or not to offer, further employment with the University upon the expiry of the contract except where:
 - (a) the Staff Member is on a pre retirement contract; or
 - (b) the Staff Member is on a fixed term contract of less than six months.
- 3.7.17 Where, because of circumstances relating to the provision of specific funding to support employment, external to the University and beyond its control, the University is not reasonably able to give the notice required by sub clause 3.7.16 above, it will be sufficient compliance with this clause if the University:
 - (a) advises those circumstances to the Staff Member in writing at the latest time at which the notice would otherwise be required to be given, and
 - (b) gives notice to the Staff Member at the earliest practicable date thereafter.

Severance Pay for Fixed Term Staff Member

- 3.7.18 Where a fixed-term Staff Member is terminated prior to the expiry of his or her fixed-term contract in accordance with sub clause 3.7.11(b), the University will pay the Staff Member the lesser of:
 - (a) the salary which the Staff Member would have received if they had continued employment until the expiry of the fixed-term contract; or
 - (b) the retrenchment benefit payable under sub clause 6.2.17.
- 3.7.19 A fixed term Staff Member whose contract of employment is not renewed at the expiry of the contract will be entitled to a severance payment in accordance with sub clause 3.7.21 below, except where:
 - (a) the Staff Member was employed on a first fixed term contract; or
 - (b) the Staff Member was replacing another Staff Member on leave or secondment from the workplace; or
 - (c) the Staff Member was on a pre retirement contract; or
 - (d) the position was a HEW Level 9 or above position.
- 3.7.20 The University, in a particular case, may make an application to Fair Work Australia to have the severance payment entitlement varied if it obtains acceptable alternative employment for the Staff Member.
- 3.7.21 Where a Staff Member is entitled to a severance payment in accordance with sub clause 3.7.19 above, the following payments will apply:

| Employee's period of continuous service with the employer on termination | Severance Pay |
|---|----------------------|
| At least 1 year but less than 2 years | 4 weeks |
| At least 2 years but less than 3 years | 6 weeks |
| At least 3 years but less than 4 years | 7 weeks |
| At least 4 years but less than 5 years | 8 weeks |
| At least 5 years but less than 6 years | 10 weeks |
| At least 6 years but less than 7 years | 11 weeks |
| At least 7 years but less than 8 years | 13 weeks |
| At least 8 years but less than 9 years | 14 weeks |
| At least 9 years but less than 10 years | 16 weeks |
| At least 10 years | 12 weeks |

- 3.7.22 Where a fixed-term Staff Member with between five and ten years of Continuous Service is entitled to a severance payment, he or she will be entitled to a payment in lieu of long service leave calculated at the pro-rata rate of two months for ten years of Continuous Service.
- 3.7.23 Casual employment, approved unpaid leave and/or periods of continuing employment prior to commencing a fixed-term contract, will not count as Continuous Service for the purposes of sub clause 3.7.21, but will not constitute breaks in Continuous Service.
- 3.7.24 Where the University advises a Staff Member in writing that further employment may be offered within six weeks of the expiry of a period of fixed term employment, the University may defer payment of severance benefits for a maximum period of four weeks from the expiry of the period of fixed term employment.

Conversion from Fixed Term to Continuing Employment

- 3.7.25 A Staff Member on a fixed term contract may apply to convert his or her employment to continuing employment in circumstances where the University has determined that continuing work of the same or substantially similar duties and requisite funding are available and:
- (a) the current contract is the second or subsequent consecutive fixed term appointment for the Staff Member; or
 - (b) the period of fixed term employment has exceeded a continuous period of three (3) years;
- and the following two requirements are met:
- (c) the Staff Member was originally appointed following a competitive merit based selection process; and
 - (d) the performance of the Staff Member since appointment has been satisfactory.
- 3.7.26 The provisions of sub clause 3.7.25 do not apply to fixed term contracts for Professional Staff positions above HEW Level 9, Step 2.
- 3.7.27 The University will not unreasonably refuse an application for conversion. Reasonable grounds for refusal include but are not limited to the following:

- (a) the staff member is a student, other than where her/his status as a student is irrelevant to his/her engagement and the work required;
- (b) the staff member is a genuine retiree. For the purposes of this Subclause, 'genuine retiree' means a person who is in receipt of any form of Australian retirement income;
- (c) the staff member is on a pre-retirement contract;
- (d) the staff member is performing work which will cease to be required within 26 weeks from the date of application;
- (e) the fixed term contract is for research or is funded by an external funding source which is not ongoing;
- (f) the fixed term contract is for the purpose of filling a temporary vacancy or to meet a curriculum requirement in vocational or professional education for recent practical or commercial experience.

3.7.28 If an application is rejected, the University will provide written reasons for rejecting it.

Casual Employment

3.7.29 A Staff Member employed on a casual basis will be paid the applicable casual hourly salary rate provided for in Schedule 2 of this Agreement. The hourly rate includes a loading of 24% effective from 1/1/2011 and 25% effective from 1/1/2012 that is paid in compensation for the casual nature of the appointment and for all forms of leave (excluding long service leave) and any other relevant entitlements.

3.7.30 Notwithstanding the provisions of sub clauses 3.7.31-3.7.37 a casual Staff Member will not have any expectation of continuing employment.

Casual Employment - Conversion Arrangements

3.7.31 A casual Staff Member may apply for conversion to continuing or fixed-term employment, as appropriate, if the Staff Member has been employed by the University on a regular and systematic basis in the same or a similar and identically classified position in the same work unit and either:

- (a) the employment was during the immediately preceding period of twelve months and in those immediately preceding twelve months the average weekly hours worked equaled at least 50 percent of the ordinary weekly hours of a full time Staff Member; or
- (b) worked on a regular and systematic basis in the same work unit over the immediately preceding twenty four months.

3.7.32 For the purposes of this sub clause casual work performed by the Staff Member in another classification, job or work unit shall not:

- (a) affect the Staff Member's eligibility for conversion; nor
- (b) be included in determining whether the Staff Member meets eligibility requirements.

3.7.33 On appointment the University will advise a casual Staff member that, after serving qualifying periods in sub clause 3.7.31, they may have a right to apply for conversion. Reasonable steps will be taken from time to time to inform casual Staff Members of this conversion provision.

3.7.34 The University will not unreasonably refuse an application for conversion. Reasonable grounds for refusal include but are not limited to the following:

- (a) the Staff Member is a student, or has recently been a student, other than where her/his status as a student is irrelevant to his/her engagement and the work required;
 - (b) the Staff Member is a genuine retiree.
 - (c) the Staff Member is performing work which will either cease to be required or will be performed by a non-casual Staff Member, within twenty six (26) weeks from the date on which the application of conversion is made;
 - (d) the Staff Member has a primary occupation with the University or elsewhere, either as a Staff Member or as a self-employed person;
 - (e) the Staff Member does not meet the essential requirements of the position;
 - (f) the work subject to the application for conversion is ad hoc, intermittent, unpredictable or involves hours that are irregular; or
 - (g) the staff member has not been subject to a competitive selection process.
- 3.7.35 While the University will consider applications for conversion from casual to fixed-term or continuing employment, approval will be at the discretion of the University. If the application is rejected, the University will provide written reasons for rejecting it.
- 3.7.36 Conversion may be to either a continuing appointment or to a fixed-term appointment. The offer of conversion will indicate the hours and pattern of work which, subject to due consideration of the University's operational requirements and the desirability of offering the Staff Member work which is as regular and continuous as is reasonably practicable, will be consistent with the Staff Member's casual engagement.
- 3.7.37 A Staff Member whose application for conversion is rejected will not be entitled to apply again within 12 months except where:
- (a) that rejection is solely based upon the ground set out in sub clause 3.7.34(c) above; and
 - (b) that ground ceased to apply.

Conversion to Part Time Employment for a Fixed Period

- 3.7.38 A Staff Member may apply to temporarily convert from full time to part time employment. Written applications, at least three (3) months prior to the proposed date of conversion, should include the following information:
- (a) the fraction of the appointment proposed to be worked;
 - (b) the duration of the proposed conversion to part time employment which will be no longer than 3 years;
 - (c) the reason for the application; and
 - (d) a recommendation from the Supervisor.
- 3.7.39 At the conclusion of the period of part time employment, the Staff Member shall resume their substantive full time appointment.
- 3.7.40 While the University will consider applications for conversion to part time employment for a fixed period, approval will be at the discretion of the University.

4. Working at Macquarie University

4.1 Leave

The following subclauses set out the basic entitlements for staff in each of the leave categories. A Staff Member employed on a part-time or part-year basis is entitled to a proportional amount of the full-time leave available under the relevant subclauses of this Agreement, in line with her/his appointment. Except where otherwise specified, a casual Staff Member receives a loading in lieu of paid leave entitlements.

Leave should normally be applied for and approved by the Supervisor prior to being taken. Detailed provisions for the granting and taking of leave, and the arrangements for payment while on leave, will be in accordance with the relevant leave policies in place from time to time.

Annual Leave

4.1.1 Eligibility and entitlement

| | |
|--------------------------------|--|
| Full-time staff | 140 hours (4 weeks) of annual leave per calendar year of continuous service (and pro rata for incomplete years). |
| Part-time staff | On a proportionate basis of the full-time entitlement |
| 7 day continuous shift workers | 175 hours (5 weeks) of annual leave per calendar year of continuous service. |
| Casual staff | No entitlement; loading included in hourly rate in lieu of (among other things) annual leave |

4.1.2 Taking annual leave

- (a) The timing of annual leave will be discussed in advance between the Staff Member and the Supervisor. Annual leave will normally be requested and approved in advance. A Supervisor may approve a retrospective application for annual leave.
- (b) Staff Members are expected to take a minimum of 4 weeks annual leave (or the full amount of leave credited to the Staff Member if less than 4 weeks) during the calendar year. Supervisors will organise workloads to ensure that each Staff Member has the opportunity to take annual leave in an unbroken period at a mutually convenient time.
- (c) Notwithstanding sub clause 4.1.2(b) a Staff Member may apply to the Supervisor to defer taking leave to enable accrual to a maximum of 10 weeks. In making an application to defer leave the Staff Member will identify dates by which the leave will be taken. The University will not unreasonably refuse such an application.

4.1.3 Excess accumulated leave

- (a) In the absence of an agreement under sub clause 4.1.2(c), the University may, with 3 months written notice, direct a Staff Member to take annual leave if they have an accumulation of seven (7) weeks or more annual leave.
- (b) A direction or directions made under sub clause 4.1.3(a) will not require a Staff Member to reduce their leave balance below 140hours / 4 weeks annual leave. The Staff Member may consent to taking leave that reduces their leave balance below 140 hours.

- (c) Where the Staff Member is directed to take annual leave under sub clause 4.1.3(a) the University will be entitled to deduct the amount of annual leave that was directed to be taken from the Staff Member's accrued annual leave entitlement.

4.1.4 Cashing out annual leave

The University may, at its absolute discretion, agree to a request by a Staff Member to cash-out an amount of annual leave. Any such arrangement will only be agreed to once in the life of this Agreement and must meet the following conditions:

- (i) paid annual leave must not be cashed out if the cashing out would result in the Staff Member's remaining accrued entitlement to paid annual leave being less than 140 hours/4 weeks;
- (ii) annual leave may only be cashed out if the Staff Member agrees to take a minimum of 70 hours/2 weeks of annual leave within six months of the date from which the arrangement is approved by the University;
- (iii) cashing out of a particular amount of paid annual leave and the Staff Members commitment to take the minimum 70 hours/2 weeks annual leave must be by a agreement in writing between the University and the Staff Member; and
- (iv) the Staff Member must be paid at least the full amount that would have been payable to the Staff Member had the Staff Member taken the leave that she/he has foregone.

4.1.5 Re-crediting Annual Leave

A Staff Member who becomes ill, injured or incapacitated during annual leave may, in accordance with the Personal Leave Policy on production of supporting documentation, take Personal Leave for the period of their illness or incapacity.

4.1.6 Payment in lieu on termination

Payment of annual leave will be made for any entitlement to annual leave accrued but not taken on termination. Where termination of employment is due to the Staff Member's death, such payment will be made to the Staff Member's estate. Payment will be made at the Staff Member's base rate of pay.

4.1.7 Continuity of Service

All paid leave will count as service for the purposes of leave accrual, length of service and incremental progression. When a period (or periods) of leave without pay exceeds in aggregate 15 working days for full-time staff members (pro-rata for part-time staff members), the period of absence from duty will not be counted as service for the accrual of annual leave. Entitlements to annual leave loading will be adjusted in the same way.

Where a Staff Member is granted long service leave or parental leave on half pay, annual leave will accrue at the rate of half during the leave period.

4.1.8 Annual Leave Loading

An annual leave loading payment will be made to Staff Members on the first payday in December each year. The payment will be the lesser of 17.5% of 4 weeks of the Staff Member's base salary or 17.5% of 4 weeks of the salary for HEW Level 10, Step 4 in Schedule 1 of this Agreement.

Purchased Leave

- 4.1.9 All continuing Staff Members and Staff Members on a fixed term appointment greater than 12 months may purchase either 5 days (35 hours) or 10 days (70 hours) additional leave in a 12 month period.

- 4.1.10 Purchased leave must be taken within a specified 12 month period, and will not attract annual leave loading. Staff Members will apply to take the additional purchased leave in the same way as annual leave and will be subject to the needs of the work unit. A request will not be unreasonably refused.
- 4.1.11 Purchased leave will count as continuous service for all purposes.
- 4.1.12 Purchased leave will be funded by a reduction in the Staff Member's ordinary rate of pay.
- 4.1.13 Purchased leave is subject to the following provisions:
- (a) purchased leave cannot be accrued and will be refunded where it has not been taken in the specified 12 month period;
 - (b) other paid leave taken during the specified 12 month purchased leave period (i.e. personal leave, annual leave, long service leave, etc) will be paid at the purchased leave rate of pay;
 - (c) personal leave cannot be taken during a period of purchased leave;
 - (d) Purchased Leave Rate of Pay will be the salary applicable for all purposes including superannuation and shift loadings;
 - (e) Higher Duties Allowance will not be paid during a period of purchased leave;
 - (f) at the conclusion of the specified 12 month period the Staff Member will revert to their Base Salary.

Personal Leave

- 4.1.14 Personal leave comprises Sick Leave and Other Personal Leave. A Staff Member must provide supporting documentation for absences in accordance with University policy.

4.1.15 Eligibility and entitlement

| | |
|-----------------|---|
| Full-time staff | Staff Members will be credited with an entitlement of 350 hours (10 weeks: 7 weeks Sick Leave, 3 weeks Other Personal Leave) on date of commencement of employment Staff will accrue an additional 105 hours (3 weeks: 2 weeks Sick Leave, 1 week Other Personal leave) per annum from the date on which the Staff Member received the initial credit of Personal Leave. Personal leave accrues up to a maximum of 1820 hours (52 weeks) |
| Part-time staff | Proportionate of the full-time entitlement |
| Casual staff | No entitlement to paid personal leave |

4.1.16 Taking Personal Leave

- (a) Personal Leave may be used for absences due to illness or injury not arising out of employment; care of a Family Member; compassionate grounds or bereavement; moving to a new residence; or community volunteering. Personal Leave may be taken for periods of one hour or greater.
- (b) Staff Members will be entitled to paid sick leave when they are unable to attend work due to personal illness or incapacity. When applicable, the Staff Member must provide supporting documentation as specified in the Personal Leave Policy from time to time. Paid sick leave is not available if a Staff Member is receiving workers' compensation payments in respect of their absence.

- (c) Other Personal Leave may be accessed for absences due to:
- i. **Family/carer responsibilities.** Such responsibilities may include caring for a family member who is ill or incapacitated; temporary and unexpected absence of the usual carer; or an unexpected emergency.
 - ii. **Compassionate or bereavement leave.** Where a family member has a serious illness, injury or dies personal leave may be accessed to attend the person, make arrangements for and/or attend the funeral and attend to arrangements after the funeral. A maximum of 5 days personal leave per occasion may be accessed by the Staff Member. For the purpose of bereavement leave, Family Member shall include aunt, uncle and siblings-in-law.
 - iii. **Moving to a new residence.** In ordinary circumstances a Staff Member may access 1 day personal leave to move household property to a new residence. If the Staff Member can demonstrate a genuine need, leave in excess of the 1 day may be approved.
 - iv. **Community volunteering.** Volunteering leave is an initiative to encourage staff to participate in volunteer activities in community based non-profit organisations, charitable groups, and groups identified in need of services and assistance. Macquarie University will support a continuing Staff Member's participation in volunteer activities with approved organisations and groups in the community by:
 - (i) providing up to 2 days of paid personal leave each year;
 - (ii) working in collaboration with approved organisations and groups in the community to ensure that volunteering projects are meaningful and productive for both parties.

To assist with organisational demands Staff Members will be required to discuss with their Supervisor their intentions for accessing volunteer leave.

- 4.1.17 Where a Staff Member exhausts their entitlement to either Sick Leave or Other Personal Leave they will be able to access whatever accrual they have available for the other form of Personal Leave.
- 4.1.18 Personal leave must be applied for in accordance with the relevant policies in place from time to time.
- 4.1.19 Staff may access alternative employment arrangements provided for in this Agreement to assist with the management of longer-term family responsibilities.

Special Leave

- 4.1.20 At the discretion of the University, special leave may be granted to all Staff (excluding casuals) for compassionate or extraordinary circumstances.
- 4.1.21 Special leave will be paid at the Staff Member's base rate of pay.

Religious, Cultural & Ceremonial Leave

- 4.6.2 A Staff Member's workload will comprise activities consistent with their position description and will take into consideration the Staff Member's level of appointment and ordinary hours of work.
- 4.6.3 Should a Staff Member or group of staff have a concern about their workload, the matter should initially be raised with their immediate Supervisor. The Supervisor will examine the concerns raised and attempt to resolve the matter. Indicators of an unreasonable workload may include:

- 4.6.10 In addition to the above processes, the Macquarie University Consultative Committee (MUCC) will review workloads of Professional Staff groups or work areas across the University from time to time. This will generally be done on an informal basis but may involve initiatives such as workplace surveys and focus groups. If the MUCC identifies workload issues in particular work areas or certain structural factors, which are adversely impacting on workloads, the MUCC will discuss and recommend strategies to remedy the situation.

The Grievant and their chosen representative may withdraw to consult if required. The representative may participate in the meeting but may not answer for the Grievant. The Grievant is required to participate actively in the resolution of the grievance.

4.15.5 If a Grievant has a Grievance:

- (a) about another member of Staff - there should be an attempt to resolve the Grievance directly between the Grievant and other Staff Member as soon as possible. - 4.15.9 If at any point in the Grievance Procedure a party to the Grievance chooses to refer the Grievance (or part of the Grievance) to an external authority, it will be at the discretion of the University whether to continue with this Grievance Procedure.

Time Limits

- 4.15.10 A Grievance must be lodged within 3 months of the Grievant becoming aware of the circumstances of the Grievance. A Grievance lodged after this time will only be dealt with if the Director, Human Resources believes that special circumstances warrant the matter being dealt with under this Grievance Procedure.

Procedures

- 4.17.6 The University must follow the procedures of this clause before taking disciplinary action against a Staff Member for misconduct or serious misconduct. However, where a matter that may involve misconduct or serious misconduct has been dealt with in good faith as if it were a case of unsatisfactory performance under clause 4.16 the procedures of this clause are not required, but the procedures of clause 4.16, including notice periods, must be followed if the Staff Member's employment is terminated.

 - (c) determine whether any of what has been admitted or not responded to constitutes misconduct or serious misconduct and if so, determine what, if any, disciplinary action is proposed to be taken; or
 - (d) defer any decision under sub clause (b) or (c) until any allegation/s that the Staff Member has denied in part or in full (or has not admitted) have been investigated by a Committee.
- 4.17.16 If the Deputy Vice Chancellor makes a determination under sub clause 4.17.15(c), he/she must proceed in accordance with sub clause 4.17.23 below.

- 4.17.25 If the DVC is of the view that there has been no misconduct or serious misconduct and decides to take no further action, the DVC will advise the Staff Member in writing.

Other Matters

- 4.17.26 This clause in no way constrains the University from carrying out other or further investigations relating to the consequences of conduct of a Staff Member or former Staff Member when required in the public interest, e.g. inquiring into the truth of research results.
- 4.17.27 The action of the Director, Human Resources and the Deputy Vice Chancellor under this clause will be final. However, this clause does not exclude the jurisdiction of any external tribunal that would be competent to deal with the matter.

The Reviewer will be external to the Staff Member's Faculty/Office and may be external to the University.
- 6.2.23 The Reviewer will, within 10 working days of appointment by the Director, Human Resources review documentation relevant to the decision to declare a position redundant. The Reviewer will prepare a written report on whether:
- (a) fair and objective criteria were used to identify the redundant position; and
 - (b) in the case of more than one redundancy, the University acted fairly and properly in the selection of Staff against the criteria.
- 6.2.24 The Reviewer:
- (a) will allow the Staff Member and/or, if they so choose, their Staff representative to address the reasons for requesting a review; to respond to any documentation before the RRC and to answer any questions from the RRC;
 - (b) may seek further material and meet with other Staff or representatives of the University it considers necessary.
- 6.2.25 The Reviewer will provide a report of their findings to the Director, Human Resources who will forward the report and associated materials to the appropriate Deputy Vice-Chancellor or equivalent for consideration and decision. Upon request, a copy of the report will also be provided to the Staff Member.
- 6.2.26 The Deputy Vice-Chancellor or equivalent may:
- (a) overturn a decision to declare a Staff Member's position redundant;
 - (b) request the Head reconsider the criteria used to identify redundant positions;
 - (c) review the Staff chosen for retrenchment; and/or
 - (d) confirm that the redundancy and retrenchment will proceed as advised.

6.3 Termination of Employment

- 6.3.1 All decisions to terminate the employment of a Staff Member will be made in accordance with the relevant clauses in this Agreement.

Provision of Notice

- 6.3.2 The University will not terminate the employment of a Staff Member without providing appropriate notice or pay in lieu as per the relevant clauses of this Agreement or letter of appointment, except in the case of Serious Misconduct (see clause 4.17).
- 6.3.3 The period of notice (or pay in lieu of such notice) will be as set out below:

| Length of Continuous Service | Period of Notice |
|-------------------------------------|-------------------------|
| Less than 1 year | 2 weeks |
| Over 1 year and up to 3 years | 3 weeks |
| Over 3 years and up to 5 years | 4 weeks |
| Over 5 years | 5 weeks |

- 6.3.4 Where the Staff Member has completed at least 2 years Continuous Service with the University and is over 45 years of age, they will receive an additional week of notice.
- 6.3.5 Upon termination of employment for any reason whatsoever, the University will be entitled to deduct from any monies due to the Staff Member, other than monies due in lieu of accrued annual leave, any monies owing by the Staff Member to the University.

6.4 Abandonment of Employment

- 6.4.1 Where a Staff Member is absent from duty for a continuous period of 5 working days without advising their Supervisor or having approval from the University, or without apparent good cause, the Director, Human Resources or nominee will make reasonable attempts to contact the Staff Member requesting reasons for the unauthorised absence from duty. Correspondence sent to the Staff Member will detail the effect that not responding to the University's request may have on their employment.
- 6.4.2 If the Staff Member or, if they so choose, their representative fails to respond to the University's correspondence within 10 working days or the response fails to establish a reasonable cause for the absence then the University may terminate the Staff Member's employment. Date of termination will be the last day the Staff Member was present at work. The Staff Member will be paid leave owed at the date of termination.
- 6.4.3 A Staff Member will not be deemed to have abandoned employment where the University has withheld approval for leave. An unauthorised absence in this situation will be regarded as possible misconduct and handled in accordance with clause 4.17 (Misconduct and Serious Misconduct).

6.5 Termination on the Grounds of Illness

- 6.5.1 If the University believes there is doubt regarding a Staff Member's capacity to perform the duties of their position due to serious illness, the University may require the Staff Member to undergo a medical examination. The University will nominate a medical practitioner to conduct the medical examination at its expense and will provide written notice of not less than one month that a medical examination is required. A statement setting out the inherent duties performed by the Staff Member will be provided to the practitioner to assist in the assessment.

- 6.5.2 Copies of the medical report will be provided to the Staff Member and University.
- 6.5.3 If the medical report finds that the Staff Member will be able to resume and perform the inherent requirements of their substantive position within a 12 month period, the University will proceed with a return to work plan (or amended plan depending on the circumstance). Notwithstanding the above, a Staff Member who has not returned to work within 24 months of commencing leave, may be terminated by the University in accordance with sub clause 6.5.6(a) or (b)
- 6.5.4 If the medical report finds that the Staff Member will be unable to perform the inherent requirements of his or her substantive position within a 12 month period, the University will proceed to terminate the Staff Member's employment.
- 6.5.5 The University will support an application to the Staff Member's superannuation fund for ill health retirement or temporary disability benefit under the rules of the superannuation fund. If the Staff Member proceeds with this action, the requirement for a medical examination will lapse. If the medical report has been obtained prior to the Staff Member making this decision, it may be used as evidence in this process.
- 6.5.6 If the Staff Member is a member of a superannuation fund which does not provide for ill health retirement or temporary disability benefit, or the fund declines to provide such benefits, the University will offer in writing:
- (a) to allow the Staff Member the opportunity to submit a resignation and, if the resignation is offered, will accept it immediately; or
 - (b) where no resignation is forthcoming within 28 days of the written advice, to terminate the employment of the Staff Member with payment in lieu of notice of 6 months salary (for a continuing appointment or a fixed-term of more than one year) or 2 months salary or to the end of the fixed-term, whichever is smaller (for a fixed-term of 1 year or less).
- 6.5.7 If, within 14 days of the medical report being made available, the Staff Member (or, if they so choose, their representative) so requests, the University will take no further action until the findings of the report are confirmed by a review panel. The review panel will consist of 2 medical practitioners, one appointed by the University and one by the Staff Member. The practitioners will not have been involved in preparing the original report or the Staff Member's course of treatment.
- 6.5.8 The University may consider a Staff Member's refusal to undergo a medical examination in accordance with these procedures as prima facie evidence that such a medical examination would have found that the Staff Member was unable to resume duty and may act accordingly. No penalties in terms of misconduct will be enacted under this clause, and all outstanding entitlements will be paid to the exiting Staff Member.
- 6.5.9 These provisions do not displace or override any existing or future applicable workers' compensation schemes, legislation or relevant industrial instruments.

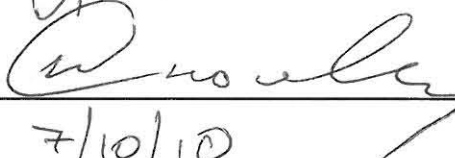

6.6 Resignation

- 6.6.1 A continuing or fixed-term Staff Member may resign from their employment with the University by the giving (in writing) of reasonable notice.

Definition 1: Supervision

Supervision close supervision

Clear and detailed instructions are provided. Tasks are covered by standard procedures. Deviations from procedures or unfamiliar situations are referred to higher levels. Work is regularly checked.

Routine supervision

Direction is provided on the tasks to be undertaken with some latitude to rearrange sequences and discriminate between established methods. Guidance on the approach to standard circumstances is provided in procedures, guidance on the approach to non-standard circumstances is provided by a Supervisor.

Checking is selective rather than constant.

General direction

Direction is provided on the assignments to be undertaken, with the occupant determining the appropriate use of established methods, tasks and sequences.

There is some scope to determine an approach in the absence of established procedures or detailed instructions, but guidance is readily available.

Performance is checked by assignment completion.

Broad direction

Direction is provided in terms of objectives that may require the planning of staff, time and material resources for their completion. Limited detailed guidance will be available and the development or modification of procedures by the employee may be required. Performance will be measured against objectives.

Definition 2: Qualifications

Within the Australian Qualifications Framework:

Year 12

Completion of a senior secondary certificate of education, usually in Year 12 of secondary school.

Trade certificate

Certificates I and II

Courses that recognise basic vocational skills and knowledge, without a Year 12 prerequisite.

Certificate III

A course that provides a range of well-developed skills and is comparable to a trade certificate.

Certificate IV

A course that provides greater breadth and depth of skill and knowledge and is comparable to a two year part-time post-Year 12 or post-trade certificate course.

Diploma

A course at a higher education or vocational educational and training institution, typically equivalent to two years full-time post-Year 12 study.

Advanced diploma

Judgment, independence and problem solving

Judgment is the ability to make sound decisions, recognising the consequences of decisions taken or actions performed. Independence is the extent to which an employee is able (or allowed) to work effectively without supervision or direction. Problem solving is the process of defining or selecting the appropriate course of action where alternative courses of actions are available.

This dimension looks at how much of each of these three qualities applies at each classification level.
