ITEM 5 – COAG Report

The Disability Reform Council:

1. Agreed the Report to Council of Australian Governments (COAG) on the implementation of the National Disability Insurance Scheme subject to the following changes being agreed between officials:
 - a. Attaching and summarising the Capability Review in the report;
 - b. In respect of recommendation 13 of the Report, that the NDIA Board report on the impact of past and future actions intended to manage cost drivers and ensure the financial sustainability of the scheme on an ongoing basis;
 - c. Adding an additional recommendation that the NDIA Board provide the Council with a strategy for the distribution of funds under the Sector Development Fund; and
 - d. Accommodate where possible the suggestion outlined by the NDIA Board.
2. Noted that Central Agency will provide the COAG Report under a cover paper that identifies key actions for COAG.
