Dear Ms Telfer

Further to the discussions on 5 February 2015 between the Association and NSW IR, the Association requests that the government consider a proposal for a one year Award for a 2.5 percent salary increase consistent with the Wages Policy. This proposal is made on a "without prejudice" basis.

Should the government be prepared to reach an agreement in these terms, the final decision of the Association would be subject to a process of membership consultation and endorsement.

I would appreciate it if you could obtain instructions from the government in relation to the above as soon as possible.

Yours faithfully,

ANNE GARDINER
General Secretary
