

PSA SUPPORT FOR 229 SCHOOLS

PSA staff and delegates met with senior staff from DEC on Monday, 23 February 2015 to raise members' concerns about LMBR in the 229 Schools.

The outcome of this meeting was that DEC are to provide an Action Plan to address members' concerns by **COB next Tuesday, 3 March 2015**.

The PSA has also repeated its request of 11 December 2014 that DEC not progress any extended rollout of LMBR.

PSA organisers will be contacting members from the 229 schools for input to strengthen our industrial position should we not be satisfied with the Department's Action Plan on 3 March 2015.
