Have Your Say: The Home Care Employee Protections Survey closes on Friday

Have you had a say in your Employee Protections?

The PSA wants to ensure all members' views and concerns are properly heard. Please take five minutes to complete the following short survey.

<https://www.surveymonkey.com/r/8ZWGZVQ>

The survey closes on Friday, 24 April 2015.

Your delegates will consider the next steps in the campaign to protect your conditions and employment at the next meeting on 6 March 2015.

Have you made the switch to protect your membership in the transfer?

Your union, the PSA, will be supporting all financial members through the negotiations, this includes if an individual issue arises during the transfer; such as your leave balances, pay, or if any conditions specific to your role are not honoured.

Make sure you switch to direct debit payments to ensure you are fully protected before, during and after the transfer. To make the switch now click [HERE](https://membership.psa.asn.au/switch/) (<https://membership.psa.asn.au/switch/>)
