### What's next?

The Workgroup will soon meet to elect the executive and discuss ways to maximise member engagement and recruitment at the Maitland offices. Of particular concern are the challenges arising from the Department of Finance and Services implementing the Government Sector Employment Act, Regulation and underpinning Rules, and the associated Capability Framework.

### What can you do?

- Print this bulletin and place it on your noticeboards.
- Discuss your issues with the delegates/contacts in your workplace.
