

Corrective Services Non-Custodial bulletin No consultation about changes for Administrative and Stores Staff

On 3 July 2015, the PSA was advised by members that a Change Management Plan (also called a restructure) for Administrative and Stores Staff in Correctional Centres has been approved by the Commissioner.

We have not received any formal notification of this.

The PSA is concerned that this plan has been finalised without consultation with the PSA and affected staff, and has written to the Commissioner requesting an urgent meeting to discuss this matter.

We will provide further information about this very important issue as soon as it comes to hand.

What can you do?

- Give a copy of this bulletin to your colleagues.
- Print this bulletin and put it up on your notice board.
