## ADHC

**Have you completed the survey  
to have your say?**

***It's time to take action: have you completed the survey to have your say?***

PSA members in ADHC have been fighting the privatisation of disability services by placing bans on tasks relating to the transfer to the private sector. We commend members for staying strong in this fight by following their union's direction.

***You are under attack, are you ready to take action?***

But now it's time to escalate! Take this **short survey** to let us know what you are prepared to do to fight for your jobs, conditions and the service you provide to people with disability.

To read about the detail of what is happening in Home Care and what could happen to you, read this bulletin to Home Care members **HERE**

You can get a full list of current bans in ADHC **HERE**
