

# Community Rally

12NOON SATURDAY 19 SEPTEMBER

OUR JOBS  
OUR COMMUNITY  
OUR FUTURE

Wollongong Mall, Cnr Kembla and Crown Streets

The Port Kembla Steelworks and the Australian steel industry are under threat. It is time that we united as a community and said that enough is enough, our community deserves much better than this. Our children must have the right to work in this country and an opportunity to contribute to a better and brighter future for Australia.
