## PSA training course for Service NSW members

The PSA has renegotiated the interim award that covers Service NSW staff. The renegotiated award came into effect from 1 July 2015 for a 12- month period.

The PSA were able to achieve:

- A 2.5 percent pay rise
- Extension of meal break from a maximum of 45 minutes to a maximum of one hour
- An expansion of “other parent” leave
- Commitment to enter into a Flexible Working Hours Agreement for Head Office staff.

As a result of the negotiations, members informed the PSA they would like to foster stronger links throughout Service NSW centres and create a network of delegates and contacts for the next round of negotiations, due to start in the new year.

As a result the PSA has organised a training day for members interested in becoming involved on 20 October.

The training will include:

- How the union can improve your working conditions
- Your role in bargaining, campaigning and organising
- Planning to make a real difference.

Members are entitled to access special leave with pay to attend union training courses.

If you are interested in attending please enrol [here](#) by close of business 25 September. For further details please contact Davina via email at [dmurray@psa.asn.au](mailto:dmurray@psa.asn.au)
