Dear Mr Turner

I write in response to your letter of 27 August 2015 regarding LMBR in schools (your reference: ST:vV).

I have been following the progress of the 229 pilot schools closely. I continue to visit this group of pilot schools and remain impressed with the dedication of the School Administrative and Support Staff.

I would like to meet with you and another representative from the Public Service Association of New South Wales. My office will make contact with you to facilitate this. I am aware that Mr Mark Grant, Executive Director, LMBR, meets with representatives of the Public Service Association every fortnight and I have asked him to join us when we meet.

I look forward to meeting with you soon.

Yours sincerely

Adrian Piccoli MP
Minister for Education
