Representations from the Public Service Association (PSA) regarding LMBR

Dear Ms Gardiner

I write in response to your email of 22 October 2015 to the Hon Adrian Piccoli MP, Minister for Education, regarding the planned roll out of Learning Management and Business Reform (LMBR). The Minister has asked that I reply on his behalf.

As I confirmed in our conversation on Friday 23 October 2015, there was no additional support provided to Waitara Public School as a consequence of the school being chosen by the PSA as the primary school for the Minister's visit. This was further discussed at the regular fortnightly meeting between LMBR and representatives from the PSA on 26 October 2015.

A meeting between a member of the SAP/SALM Support team and the Principal was held on Monday 19 October 2015 to discuss finance and budget planning. This meeting had been requested earlier in the year by the Principal following her return to the school.

Thank you for your ongoing interest in the LMBR program. I look forward to continuing to work with the PSA to progress this important initiative.

Yours sincerely

Mark Grant
