In [our last bulletin](#), dated 8 October, the PSA notified that we would be holding member meetings before the next Public Works Program Consultative Working Party Committee meeting, once the dates were known.

The PSA has now been given a schedule for these Consultative Committee meetings which will occur on the second Thursday of each month, with the next meeting scheduled for Thursday 12 November.

In order to ensure the concerns of our members are raised in these consultative meetings, the PSA has scheduled the following member meetings:

- **Thursday 29 October**  
Norwest Business Park, Burbank Place,  
Koala Room from 12:00 – 1:00pm
- **Thursday 5 November**  
McKell Building, Level 4, Room 04-T03,  
from 1:00pm to 2:00pm

For other sites, your Organiser will be in contact to arrange a suitable time and date to update members and collect issues you feel need to be discussed at the Consultative Committee meetings.

These member meetings are a chance for you to ask any questions you have about the transformation, so please attend and participate so that the PSA can raise your issues and advocate on your behalf.
