

Urgent Trustee & Guardian bulletin

Our members in NSW Trustee & Guardian were advised on Friday, 9 October 2015 that the government had reviewed its business plan and that NSW Trustee & Guardian would make an announcement to staff on **Tuesday, 13 October 2015**.

Although not formally advised of this development, the PSA has sought a copy of the plan and requested that it be released as a draft to enable consultation.

The PSA will also attend the staff meeting on **13 October 2015** as previously agreed with NSW Trustee & Guardian.

The PSA will provide its response to the draft transition plan on **12 October 2015** as agreed. However, some of the processes in the transition plan are dependent upon the content of the business plan.

The PSA is meeting with management again on **Friday, 16 October 2015**.
