

ADHC members take action for

A *Real* Choice

Nepean-Blue Mountains

Following the successful rally in Newcastle, members in the Nepean-Blue Mountains area are rallying to raise public awareness of the Government's plan to fully privatise all disability services in NSW.

Members will be calling out the Government on its consistent refusal to talk to or consult with the PSA about the planned privatisation.

We will also be calling on the Government to give clients and staff ***A Real Choice*** to remain with ADHC.

Make sure you've made plans to attend the rally on:

Friday 20 November
12noon – 1pm
On the steps of 2 Station St Penrith
(opposite the station)
