PSA members in ADHC directed to strike

On 19 November, FACS announced a transfer package for disability workers which was developed without PSA consultation. The package being proposed is the same package that was rejected by the PSA in Home Care.

On 23 November, the PSA notified all ADHC members that PSA Assistant General Secretary Steve Turner would put to the ADHC Departmental Committee that they extend the 3 December Illawarra strike to the whole of ADHC across the state.

Consequently, on 24 November the PSAADHC Committee voted to take state-wide strike action on 3 December for four hours between 12pm and 4pm.

The state-wide ADHC strike has this morning been authorised by PSA General Secretary Anne Gardiner. Therefore, all PSA members working for Ageing Disability and Home Care across NSW are
