### **PSA Delegates consult with Management**

District Management along with PSA Delegates and PSA Industrial Advocates (PSA staff) meet on a quarterly basis. This is through a Joint Consultative Committee forum (JCC). The role of the JCC is to progress and consult on district wide issues and changes. It is also where delegates can raise issues that have not been resolved at the local workplace level. The FACS JCC is made up of representatives from Housing, CS, ADHC, and Business Services. Workplace delegates can attend on a case by case basis, eg. to present an issue unresolved at the local level. CS Delegates Rick Serna and Devitt Simpson attend the JCC meetings for SWS.

### **How to get advice:**

Members should contact their local delegate for any workplace issue. If your local delegate is unavailable, contact the PSA Member Support Centre Team (MSC) on 1300 772 679 .

### **PSA Organising support:**

PSA organisers are able to assist in arranging meetings with members, providing the resources and material that will enable the building of union strength in the workplace and recruiting new members.

If you want to arrange a workplace meeting and/or become a workplace delegate or part of a workplace group please contact PSA Organiser - Vivette Horrex email: [vhorrex@psa.asn.au](mailto:vhorrex@psa.asn.au). You can also email [facorganising@psa.asn.au](mailto:facorganising@psa.asn.au) for other Districts.
