

Legal Aid bulletin

The PSA is aware members have been asked to take leave if they have 30 days or are about to have 30 days accrued.

If members do not have 30 days accrued, they cannot be directed to take leave. If members do have 30 days' leave accrued, we advise them to put in a leave plan.

The PSA will advocate for any reasonable leave plan.

If members are being directed to take leave and do not have 30 days accrued or have submitted alternative leave plans, please contact the PSA on 1300 772 679.
