

# TAFE members STRIKE

Your union is directing all members in TAFE to participate in the  
Protected Industrial Action on:

**Thursday, 28 April 2016**

**1.00pm to 4.00pm**

**Ultimo TAFE**

**(Harris Street entrance)**

**If you are unable to travel to Ultimo, gather at the front of your TAFE college, and post a photo on social media with the hashtag **#SaveOurTAFE** and/or send to the PSA at **nbradshaw@psa.asn.au**.**

TAFE are refusing to back away from slashing your conditions including:

- An increase in weekly working hours for 80% of the workforce, from 35 to 36.25 hours, for no extra pay.
- A refusal to pay staff a back-dated pay increase, despite not receiving a pay rise since July 2014.
- No agreement which protects staff that transfer to the new classification structure from downgrading in salary.
- Removal of RDOS.
- No agreement to protect current permanent positions from being converted to permanent part year with up to 22 weeks of forced unpaid leave.

**Let TAFENSW know that PSA (CPSU) members will not accept slashed conditions**

Non-members cannot participate in protected industrial action and need to join the PSA to support their colleagues in this industrial action to achieve a FAIR agreement for ALL. Join the PSA today at [www.psa.asn.au](http://www.psa.asn.au)
