

## Powerhouse Museum relocation

Members would have seen the NSW Government's recent announcement relating to the Powerhouse Museum.

The Museum is to move to the banks of Parramatta River in 2022.

The PSA's position on the move to Parramatta is included in the previous bulletin which can be viewed [HERE](#).

We are also concerned about members who live closer to Ultimo than Parramatta and the additional travel time they will face.

If any members have carer's responsibilities or other circumstances which may cause difficulties commuting to Parramatta, please email [powerhouse@psa.asn.au](mailto:powerhouse@psa.asn.au). Please outline in the email the circumstances in sufficient detail so that representations can be made.

The PSA will do all that is necessary to support members as a consequence of this change.
