

# DFSI Property NSW Restructure

On 9 June the DFSI released for consultation its "Property NSW" draft Restructure Management Plan (RMP) to affected units from within the DFSI Property & Housing Group, Sydney Harbour Foreshore Authority (SHFA) and Public Works (Facilities Management).

The consultation period was originally closing this Thursday 23 June. However, Management has agreed to extend the consultation period into next week (exact time to be confirmed) for this particular RMP due to its complexity, the number of roles affected and the fact we are still seeking feedback from members.

The purpose of this bulletin is to ask PSA members in those affected units to please submit any feedback or questions that they may have on this RMP directly to PSA Industrial Advocate, Matthew Drake-Brockman [mdrake-brockman@psa.asn.au](mailto:mdrake-brockman@psa.asn.au) by 5pm Thursday 23 June.
