Realignment proposal update

This bulletin is an update to advise members how the PSA is representing them in the Directorate.

Members will be aware that the Department recently notified staff there is organisational change across the Directorate.

Consultation with PSA

At a meeting with the PSA on Monday, 6 June 2016 the Department formally began consultation in this restructure. The Department indicated it is willing to meet as the restructure proceeds and welcomes questions during this period.

In the last bulletin, the PSA called for members to provide feedback to the proposal to be sent to the union, contact officers and the Department. The PSA received significant feedback from members from across the state and together with PSA contacts compiled a response to the Department's proposal.
