

NSW Police Force External Information Access Unit

PSA staff and delegates attended the staff briefing session on Friday 5 August 2016 as to the creation of the new External Information Access Unit (EIAU).

The PSA has a further meeting with the NSWPF on the EIAU on Monday 15 August 2016 in which we can raise any concerns that members may have.

As the consultation period is now open, the PSA encourages any affected members to participate.

Members can contribute their feedback directly to the NSWPF management by the SMAC box #EXTINREVIEW and to the PSA by email to police@psa.asn.au.

The formal period for feedback closes on Friday 19 August 2016.
