

People's Inquiry into Privatisation - update

As part of our campaign to Stop the Secret Sell-Off of NSW's public services and assets, the PSA is taking a leading role in the People's Inquiry into Privatisation.

See our previous bulletin [HERE](#).

The PSA is grateful to the many members, delegates and officials who gave evidence to the Inquiry at recent hearings in Wollongong, Newcastle and Sydney. Your stories of the impact of the Baird's government's privatisation agenda were powerfully told and the Inquiry benefited greatly from your participation.

The PSA is contributing to a planned Australia-wide CPSU submission to the Inquiry, and you can read our NSW chapter [HERE](#).

We will provide you with further updates when the Inquiry's report is released, which should be by the end of the year.
