

Stop the Secret Sell Off of NSW Public Services – Protest 21 September

The NSW Government is undertaking a mass privatisation by stealth, with details on how they will affect the people of NSW shrouded in secrecy.

Members across Family and Community Services know how hard it is fighting cruel and sneaky privatisations such as the complete dismantling of ADHC and the failed privatisation of Out of Home Care.

Now it is time to step up and band together with PSA members from across the union and make a stand.

We must *Stop the Secret Sell Off!* View the Stop the Secret Sell Off site [HERE](http://stps.com.au).

The PSA is encouraging all members to attend a protest on Wednesday 21 September to call on the NSW Government to Stop the Secret Sell Off!

The PSA will have guest speakers from ADHC, LPI, Sport and Recreation, TAFE, Housing and more addressing the crowd and calling on the NSW Government to Stop the Secret Sell Off!

Your union, the PSA, will also be demanding the Baird Government debate the more than twenty five thousand signature petition they have ignored in their rush to secretly sell off NSW public services.

Stop the Secret Sell Off Petition

The PSA has also set up an online petition calling on the NSW Government to:

1. protect our valuable public services from privatisation; and
2. introduce "follow the money" laws for financial scrutiny and accountability.
