This bulletin is for those members employed by the NSW Department of Education who are casual employees.

The Department has informed the PSA, that in January 2017, the pay cycle for all casual staff will now be aligned with that of permanent and temporary employees.

PSA industrial staff and delegates have reviewed the provided information and are satisfied there should be no adverse impact to members.

The Department will be communicating with affected staff throughout December 2016 to February 2017.

Should affected members have any concerns in relation to this, they are encouraged to contact the PSA so that we may assist them.
