Land and Property Information Concerned Titles Group

The Concerned Titles Group (CTG) have created its own Facebook Page.

As the page explains, the CTG was formed to fight the privatisation of LPI and save the integrity of the NSW Torrens Title system.

The CTG has gained considerable traction in the media and has helped bring the issues of the integrity of title to the public's attention.

The Law Society is now calling for the repeal of the enabling legislation.

Please show your support and **'like' and share** its Facebook page, and encourage your friends and family to do the same.
