

Transport for NSW Award bulletin and survey

Your new Transport for NSW Award – Have your say

The *Transport for NSW Salaries and Conditions of Employment Award 2016* that sets out your wages and conditions of employment is due for renegotiation.

Your participation and input into this process is vital.

Early in 2017, the PSA and other transport unions will be lodging a new log of claims at the NSW Industrial Relations Commission (IRC). As part of our consultation process, PSA members are asked to fill in a short survey to help identify issues of greatest importance to them.

Your details will remain confidential to the PSA.

Please take a few minutes to complete this survey and encourage your colleagues to do so as well.

Award feedback meetings

In addition to the survey, the PSA will hold a series of member meetings to provide feedback on the survey results and undertake further consultation, so you and fellow members can best inform our negotiations. These meetings will take place in February 2017, and notice will be provided closer to the dates.

Transport for NSW (TfNSW) Award Steering Committee

Together with developing your log of claims, the PSA is establishing a TfNSW Award Steering Committee. This will be made up of PSA TfNSW members and supported by PSA Industrial Staff. Training will be provided to members. This is a great way to be more involved in your union and make sure that the interests of your fellow members are heard.

If you are interested in joining the committee, please contact PSA's Organiser Sharon Richards at srichards@psa.asn.au using the subject line TfNSW AWARD COMMITTEE.

Update and Connect with the PSA

Many members in TfNSW have recently moved work locations or have been allocated to an Activity Base Working (ABW) environment.

All PSA members are therefore asked to check and update your details by clicking [HERE](#).

Seasons Greetings to you all.
