Hunter New England	Newcastle	Hunter Valley Disability Services (HVDSL)	HVDSL is made up of three of the Hunter's most respected disability service providers – Ability Options based in Charlestown and Maitland, Connectability Australia Inc. based at Newcastle and Finding Yellow based at Cessnock. Between the organisations they have over 100 years' experience in providing disability services to people with disability, including managing group and respite homes. HVDSL support people with disability to lead inclusive and quality lives in which they are socially connected and able to make their own choices and decisions in order to be as independent as possible. The organisations have a combined workforce of over 1200 employees. Ability Options has significant experience in working with NDIS clients. HVDSL will work with clients, their families and carers to ensure that changes to specialist disability accommodation are achieved with minimal disruption and with ongoing improvements to the quality of life of residents.

	Armidale	House With No Steps	
	Tamworth		As one of Australia's leading disability service providers, House with No Steps (HWNS) has a rich history that spans over 50 years. They are dedicated to giving people with disability greater choice, control, and freedom and empowering them to live life on their own terms. HWNS services, such as life skills, respite and living and accommodation supports, help people with disability to live a great life and achieve their goals. Because they believe everyone should be able to make their own choices, they work with clients to build disability services programs individualised to them and their needs. HWNS believe that a committed and skilled workforce is vital to the work they do and the impact they have in people's lives. They invest in a quality workforce and employ more than 2,500 people, including over 500 people with disability. HWNS grew its NDIS customer base in the NSW and ACT trial sites and continues to support NDIS clients since the full scheme roll out.
