

PSA to meet with FACS on CST Transfer

The PSA and FACS will meet on 23 May to further consult in relation to the transfer of Clinical Services staff to The Benevolent Society.

We have serious concerns with the Department's review and audit of private/secondary employment arrangements. As reported to members in our bulletin on 21 April, FACS has agreed to meet with us in relation to the audit outcomes prior to any decision on changes to private employment. Read our previous bulletin [HERE](#).
