

Parliament House Members' BBQ

The PSA is having a barbecue for all members in Parliament House Gardens.

The event will commence at 5:00pm on Thursday 4 May and be held in the barbecue area of the gardens on Level 9 of Parliament House.

All PSA members working in Parliament House and within Premier & Cabinet are invited.

In order to grow our union, potential members are also invited. We encourage all members to invite their colleagues.

Come along, have a sausage and talk about your rights at work.

If you have any issues locating the barbecue, speak to the Parliamentary attendants at the front desk. You can also call the following contacts:
