## TfNSW meeting notice

Your union, the PSA, will be attending your workplace to talk to all staff about a range of important issues. Given the recent establishment of your new workplace and the continual restructures which exist within transport, now is the perfect time to raise any concerns you may have.

Additionally, with your Award negotiations well underway, it would be great to see a big turnout to discuss the process and how the PSA is fighting to ensure the new Award provides you with the absolute best working conditions possible. A stronger union presence during these negotiations leads to better outcomes for employees.

**Date: 1 June 2017**

**Time: 12.00-1.00pm**

**Location: Workplace lunchroom**

In addition to the award negotiations, other items for discussion include WHS, union campaigns and any other general business anyone would like to raise.

All information shared at this meeting will be treated with the strictest confidentiality.

Membership forms will be available for those wishing to sign up on the day. All staff are encouraged to join the PSA and be involved by having a say in how their workplace is run.

It's time to get involved!
