Dear ARI Executive,

The PSA is writing to acknowledge Australian Registry Investments (ARI) successful bid to operate the Titling & Registry Services (TRS) functions of the Land and Property Information unit under the NSW Government's 35-year concession.

The Public Service Association of New South Wales (PSA) is the industrial organisation within the New South Wales industrial relations jurisdiction with the right to enrol and represent employees carrying out the TRS functions within ARI.

The PSA is an associated body of the Community and Public Sector Union (CPSU), and accordingly this right to enrol and represent this cohort of employees will continue upon the transfer of their employment to your organisation courtesy the CPSU eligibility rules, specifically Rule 2 'Constitution and Eligibility for Membership', Part II, Section 1, (A)(iii) and (D)(a).

For clarification, all of our subsequent communication and representation will be in the name of the CPSU post-transfer as it is the union that is recognised under the *Fair Work Act 2009* (Cth).

To ensure the seamless transition of our members to the private sector we would appreciate the opportunity to arrange a meeting with you so that we may discuss the industrial implications once services and employees are transferred to your organisation.

A meeting time, date and location can be organised through Sandra Lockey either on (02) 9220 0982 or at [slockey@psa.asn.au](mailto:slockey@psa.asn.au)

Yours sincerely

Stewart Little  
**GENERAL SECRETARY**
