As Ageing Disability and Home Care continues to be systematically dismantled, the PSA has received feedback from members and delegates on low morale amongst disability workers.

While we encourage members to be specific and honest when filling out the People Matter Survey; we also want to give you the opportunity to have your say confidentially to your union.

This survey has been developed by members and delegates.

The survey closes on Sunday 23 July 2017.

Joint Consultative Committee

The PSA and Senior Management at FACS meet regularly to consult on matters of concern to members such as restructures and workplace change.

These meetings occur every two months. If you have concerns or issues you would like raised in these forums, you can contact your local delegate to have them put on the agenda.

Talk to your colleagues about the importance of being a member
