MEMBER UPDATE

Members who are either SELIOs or EPROs and whose positions are affected in the upcoming Group 4 review are invited to attend a teleconference with your PSA/ CPSU NSW Industrial Officer Phoebe Dangerfield and your Regional Organiser Asren Pugh.

With the announcement of the restructure scheduled for early August, we need to ensure your concerns are raised and dealt with during the consultation process. We understand your concerns around temporary positions and the disadvantage you may be under through not having been in a temporary position for long enough to qualify for positions at steps one or two in the placement process.

It is our intention to pursue your interests on an individual, case-by-case basis. This means you have to be a member by the close of consultation for us to pursue this matter for you.

To join the EPRO and SELIO teleconference, please follow these instructions:
