## NSW Police Re-engineering update

On 17 August 2017 the PSA lodged a Dispute in the Industrial Relations Commission (IRC) about NSW Police's failure to consult about re-engineering.

This dispute has been listed in the IRC on Wednesday, 23 August 2017. The PSA will be seeking a clearly defined and transparent consultation process in order to protect our members' interests during re-engineering.

The PSA will update members after the IRC appearance.
