## PAY RISE AND IMPROVED JOB SECURITY

The PSA has been continuing the fight to maintain and improve your conditions of employment and salaries in the RMS.

After consultation with members, the PSA has secured a new two-year salaries and conditions award which applies from 1 July 2017 and includes two 2.5% increases.

The first 2.5% pay rise will be paid in the first full pay period on or after 1 July 2017 and the second from the first full pay period on or after 1 July 2018.

The first pay rise will be paid in August 2017.

Members who retire or are made redundant and leave the service after the first full pay period after 1 July 2017 will also be entitled to the increase. If you have not received your pay rise by the end of August, please contact the PSA.
