Urban Growth NSW – urgent restructure update

After waiting months for a response, on 3 August, the PSA finally received the proposed structures.

The problem is that members were expected to respond by close of business today (Monday 7 August) as the agency want the process finalised by 31 August.

The PSA has serious concerns about the proposed structures.

The PSA has today sent an email to Mouna Kheir indicating that the union will not be providing feedback on the structures until after the two meetings that are scheduled for this week have taken place.

In fact the PSA has said that any response from members and the PSA should not be finalized until Monday 14 August.

The meetings are:

- » 8 August – 12:30PM – 2:00PM,
MLC, Rotterdam and Hong Kong Rooms
- » 9 August – 12:30PM – 2:00PM,
Parramatta – The Executive Board Room
- » 9 August – 9:00AM,
MLC – Rotterdam and Hong Kong rooms.

Accordingly, the PSA advises all members not to respond regarding the proposed structures until after these meetings have been held and further advice has been received from the PSA.
