NSW Ombudsmen PSA meeting notice for NDIS affected staff

The changes to service provision in the disability sector (including transition from ADHC to NGOs, transition to the NDIS and creation of the NDIS Quality and Safeguards Commission by 1 July 2018) will have an impact on some staff at the NSW Ombudsman.

The PSA is here to help you through these uncertain times.

The ramifications of these changes for staff have not yet been determined and are subject to Federal and State government negotiations.

While we do not yet fully know the implications, we can be prepared and organised in order to secure the best outcome for staff.

To achieve this for you in the long-term, we need to hear from you.

As such, the PSA will be holding a meeting for affected members:

Thursday 12 October, 2017

12:30 to 1:00

Hearing Room 2

All members who may be affected by the potential change are encouraged to attend.

If you want clarification, to listen to others and to give important input, come to this meeting and have your say.
