FACS Psychologists Vocational Advisory Group survey

The survey below has been designed to measure the widely felt issues FACS Community Services Psychologists are currently facing in their role.

The data collected from the survey will be used to collaborate with the Psychological Services Executive and address issues that impact the role of Community Services Psychologists. Please note: all answers will be treated as confidential.

Any data provided to the Psychologists Vocational Advisory Group Executive will be on an aggregated basis only.

It will take less than 10 minutes to complete the survey. We also would encourage you to take advantage of the comments field after each question.

Please complete the survey [HERE](#) by **Friday, 1 December 2017**.

Update your details

If you have moved home or work location, or you have changed any of your contact details, please click [HERE](#) to update.
