Powerhouse Museum bulletin

Union members at the Powerhouse have been buffeted by an avalanche of politics, resource cuts and heavy-handed treatment. This is the time to fight back.

Next year will be an important year in the history of the Powerhouse and MAAS. The PSA is having a members' meeting to discuss what we can do to make things better in your workplace in 2018 and beyond.

At this meeting, we will discuss the union's involvement in the proposed move to Parramatta, the fair pay case the PSA is waging on behalf of the VSOs, and the ongoing work health and safety issues members are confronting.

More than anything, we want to hear from you. The actions we take together will be determined by the environment and conditions that you work in. The power of the union comes from our ability to act together; so come to this meeting and have your say:
