SOPA Restructure consultation meeting

SOPA is going through a major realignment. As a PSA member, you have the right to be consulted with about what is happening. The PSA will be holding a consultation process over the next three weeks so all members can have a say.

PSA industrial staff have been briefed on the details of the proposal by SOPA management. The PSA is now seeking feedback from members about your thoughts, questions and concerns about the restructure.

As part of the consultation process, the PSA will hold two meetings on different dates, one at SOPA Head Office and one at the Sports Centre. After these meetings, the PSA will compile a submission and submit it to the SOPA executive. These meetings are your chance to come together with other union members and to make a difference to your workplace:

Meeting One

- » Thursday, 2 November 2017
- » 1:00pm-2:00pm
- » SOPA Head Office, Meeting Room 1, 8 Australia Avenue

Meeting Two

- » Friday, 10 November 2017
- » 11:30am-12:30pm
- » SOPA Sports Centre, The Liz Ellis Room, Olympic Boulevard

If you are unable to make either meeting or would like to raise concerns in a less public forum, contact your PSA Organiser, Harry Wall, on **0419 607 894** or hwall@psa.asn.au.
