Have your say on the future of the CSO: Complete the open-plan fit-out survey now

Assist your union, the PSA, in representing YOUR thoughts about the open-plan fit-out during our negotiations with CSO management by completing the survey [HERE](#).

The survey results will be summarised in a report which will be submitted to management and circulated to members. The more respondents there are, the more representative the report will be.

The survey is open to all CSO staff, including non-members. Any non-members wishing to join the PSA can do so [HERE](#).

All responses will be kept strictly confidential and no individual respondent will be identified.

The CSO survey has been advertised on the PSA Facebook Page:
