

Justice – Digital Technology Services – PSA update

“Justice Corporate Services” Joint Consultative Committee – Holding management to account!

The PSA has established a Joint Consultative Committee (JCC) for “Justice Corporate Services” which includes Digital Technology Services.

JCCs are regular consultative meetings between the PSA and management, which allow your union to formally raise workplace issues on behalf of members.

The first “Justice Corporate Services” JCC will be held on 26 March. In attendance will be your PSA staff, PSA DTS delegate Joshua Dixon and senior Justice HR and DTS management representatives. Members will be provided with a report-back soon after the JCC.

The JCC is YOUR opportunity to have a say in the way your workplace runs and to create positive change. Issues can be raised anonymously. Your union invites members to send collective workplace issues to be raised at the JCC to your PSA delegate or PSA Staff.

Your DTS delegates are:

Joshua Dixon
