

## Parklea CPSU NSW member meeting invite

### Blacktown RSL Club – Friday 9 March 4:30pm-6:30pm

CPSU Assistant State Secretary, Troy Wright, will address Parklea Correctional Centre Staff on Friday, 9 March at Blacktown RSL Club on the need for collaboration and unity in the face of an uncertain future.

All correctional centre staff are invited to attend, so please encourage your colleagues to come along.

The NSW Government's decision to exclude the GEO Group from further participating in the tender process means **it's more important than ever for staff to be unified and strategic** as we navigate the political process and transition to a new employer.

The enterprise bargaining process with the GEO Group provides staff with an opportunity to bargain for job security and better pay, even after the company ceases to run the centre.

The CPSU will fight for every job and to ensure that every staff member gets what they're entitled too.
