

HR Payroll Roll Out

As you know the roll out of the new HR system is proceeding, with Release 3 deployment to schools having gone live from 7 July.

If your school has moved onto the new SAP HR payroll system, we would like to know about your experience. We understand that there are pressures on your time but would appreciate your feedback so we can best represent you and raise any concerns you may have.

The attached Survey Monkey is brief and focused on the impact of the SAP HR Payroll implementation on you and your work, not the detail of the specific operational and technical issues. You can access the link to complete the survey [HERE](#).

PLEASE COMPLETE THE SURVEY BY 12 NOON ON FRIDAY 3 AUGUST.

And of course your comments and questions via the dedicated schools email schools@psa.asn.au are welcome at any time.

Your responses will be handled on a strictly confidential basis by the PSA.

Thank you for your feedback
